When not relaxing on the beach or in our spa, we invite you to play a round on our on-site 18 hole golf course; take part in our many organized activities, from volleyball to water aerobics; take advantage of our many free non-motorized water-sports options; or tour the sites of Panama with the resort's on-site tour group, Decameron Explorer.

At night, you can eat in one of the resort's 8 specialty restaurants while your children enjoy the nightly kids show. After dinner, take in the sites and sounds of Panama a nightly show (see a different show every night). Finally, you can play in our casino and dance the night away at our discothèque before retiring to your well appointed, comfortable guestroom.
