New Zealand's geographic features and plentiful snow make it a favorite destination for ski enthusiasts around the world. Ski The Remarkables' three stunning bowls, marvel at the alpine vista or tackle the finger chutes for lunchtime bragging rights. Beyond the slopes, Queenstown offers a variety of activities including bungee jumping and sensational shopping. At night, enjoy one of the many gourmet restaurants or the après-ski energy that keeps the bars and clubs hopping until the wee hours of the morning.

Imagine waking up to one of the most enchanting views on earth. Fiji is a land of tropical rainforests, coconut plantations, fine beaches, fire-cleared hills. Fiji is synonymous with coral reefs, warm blue waters and some of the most superb snorkeling and diving on the planet. But as mesmerizing as its natural beauty is, nothing is said to compare with the warmth and hospitality of Fiji's people who are a fascinating blend of diverse cultures. During the day, enjoy the beach, golfing or water sports. Then at night experience the magical world of Fiji.

In order to promote goodwill and enjoyment, it shall be the duty of the Trip Leader (or Club Board Member) to eject from that activity, any one whose behavior exceeds the bounds of good taste or who participates in illegal acts. Participants in violation of these guidelines may be penalized as deemed appropriate, including limited or discontinued participation in future activities or expulsion from club membership.

Ski trip and other activity fees are based upon current tariffs and are subject to change without notice. The Club accepts no responsibility in whole or part for any delayed departures or arrivals, missed plane or other carrier connections, loss, damage or injury to person or property, mechanical defect or failure of any nature howsoever caused, or for any substitution of hotels or common carrier, with or without notice, or for any additional expenses occasioned thereby. I/we fully understand that the Club is a voluntary association run by volunteer officers and Board Members who have no special or professional training in conducting ski trips and other activities. By participating, we do not rely on the expertise of any director, officer, activity coordinator or the agents of any of the foregoing; delivery of goods and service as described is the responsibility of the contracted vendors.

Roommates/ Room Assignments, Lodging & Per Pillow Guidelines

Lodging prices are based on rates per pillow. "Per pillow" means it is possible you will be paired with a roommate (and possibly bedmate) you did not select. Every effort will be made to accommodate roommate requests. However, confirmation will be conditional until a roommate is confirmed. If we have to assign roommates, we reserve the right to make rooming changes as necessary. Rooms will be assigned at random by the hotel/lodge/condominium. Specific room locations cannot be guaranteed. Most rooms have two beds. Each bedroom includes 2 pillows. Single supplement pricing options (the purchase of an entire bedroom) may be available for some trips. Common area (e.g. den area) spaces will not be sold as lodging. Exceptions to this policy may be granted for families (all exceptions must be approved by the Trip Leader and Trip Coordinator). The cost of rollaway beds is not included.

Youth Participation

Youth members (individuals under 18 years of age) are encouraged to participate in all trips. Parents and guardians are responsible for supervising and chaperoning youth during trips.
