at the NBS Western Region – Winter Carnival
January 15 - 19, 2009
Heavenly Ski Resort – Lake Tahoe, CA

The Western Region's Winter Carnival brings out over 1,000 folks from across the country every year. Few ski resorts match Heavenly's superior scenic beauty and expansive network of lifts, terrain, trails and snowmaking. The only bi-state resort in the United States features 17 lifts in California and 12 lifts in Nevada. Heavenly has the longest vertical drop in the Tahoe Basin with a mountain descent more than five miles long. From long intermediate cruisers to the chutes of Mott Canyon to the gentle slopes of the beginner areas, Heavenly has variety for skiers of all abilities. Get more info at www.skiheavenly.com.
